

## PROJECT REPORT

# Sunblinds

Europe

## MANUFACTURER

Warema Renkhoff Marktheidenfeld

---

## PRODUCT

Reynolux® pre-painted aluminium

---

## SURFACE

Colour: Customized colour

Coating: Polyester

---

## APPLICATION

Sunblinds

---

## ABOUT

Reynolux® pre-painted aluminium sheets undergo profiling operations in order to form a sunblind (slats shape): profiling, bending and punching. With WAREMA external venetian blinds you can create an atmosphere in your home or office in which you always feel comfortable.
